

THE DOAN GROUP

ADJUSTING SERVICES DIVISION

The Doan Group is a nationwide provider of auto appraisals, specialty vehicle and equipment appraisals, and property adjusting. We've been doing it for more than 40 years with pride and a dedication to service and accuracy.

You already know this.

But did you know we are also a nationwide provider of a broad range of field and desk adjusting services?

It's true.

We can offer insurers a comprehensive suite of adjusting solutions. As your claims servicing partner, we can augment your existing adjusting capabilities, or you can white label our Adjusting Division in its entirety to enhance your value with your customers.

ENERGY & OIL FIELD CLAIMS

Doan has 10+ years of field-specific experience in this vertical. Our experts are nationally-demanded and at your disposal.

We provide whole-loss management to minimize severity.

HEAVY EQUIPMENT CLAIMS

Doan's experience ranges from small equipment to large, complex and/or customized equipment.

Our H/E service includes Total Loss, Subro, Towing, Salvage Disposal, and more.

TRACTOR-TRAILER CLAIMS

Doan provides extensive and qualified tractor-trailer claims service.

We'll handle your Liability, Cargo and Physical Damage claims using FMCSA-Certified ELD solutions.

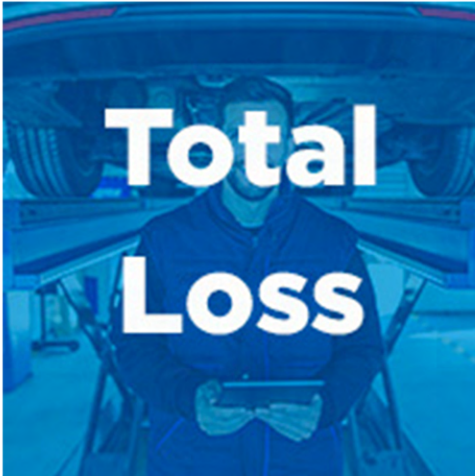

LARGE LOSS CLAIMS

Doan provides CAT teams with experience in every peril.

Our nationwide network of regional experts means just one call for comprehensive and competent handling of all forms of claims.

INDUSTRY-LEADING EXPERIENCE WITH TRADITIONAL CLAIMS

Our adjusters are highly trained and knowledgeable in all the most common areas of adjusting as well.

Claims with Complete Confidence

We know what we're doing. We're going to do it right.

Doan doesn't assign auto appraisers or residential property adjusters to these specialty claims.

We assign trained, knowledgeable and experienced people who have handled these claims before and therefore understand how to properly write them.
